

2022 Lifeguard Review and CPR Course Schedule and Guidelines

Lifeguard Review Class:

This class is mandatory for return employees whose certification will expire in 2022. This class will recertify you for another two years. This class includes CPR, so you do not need to take a separate class. The cost of the class is \$75.

CPR Class:

A CPR review will be held at your pool prior to the start of your summer season.

Class Registration:

To register for a class, please call and speak with Melissa at the office at 678-985-4030 Option 1 or email hr@gwinnett-pmg.com with which class you would like to take. We will add you to the class roster and you will receive an email with the class information 1 week before the start of the class.

***For classes with TBD for the location, the final location will be based on facility availability. We will have a class on all the dates listed below, however the class location may change. We will notify you well in advance or send an updated schedule if we must make any changes.**
